LUSH MOJAVE  
ENTERS THE DESERT

The reclamation of aging, period hotels into swank retro inns spreads from Palm Springs to neighboring Palm Desert with the new **MOJAVE** hotel. French Moderne furniture, vintage black-and-white desert photos, and Nehi sodas in the mini bar salute the 24-room boutique's 1940s roots. But a soothing sand palette sparked by a signature splash of tangerine keeps the vibe current. A lush grove of citrus and palm trees surrounds a generous pool and draped massage cabana. Should you feel the need to time travel forward, chichi El Paseo Drive is just steps away. From \$135. (760) 346-6121, [www.hotelmojave.com](http://www.hotelmojave.com) — E.G.
