Mojave

Mojave, Palm Desert's first luxury boutique hotel, brings back the romance and glamour of the California desert in the 1940s. The 24 guest rooms rest in a tranquil garden setting of mature palm and citrus trees just steps from the neighboring shops and galleries of El Paseo. Guests enjoy jacquard striped linens, down comforters, monogrammed robes, and Molton Brown bath products along with a meeting room, pool, spa, massage cabana, and complimentary breakfast and evening refreshments. 73721 Shadow Mountain Dr., Palm Desert, CA 92260; U.S. (800) 391-1104; (760) 346-6121; www.HotelMojave.com.
