

INN OF THE SPANISH GARDEN FACT SHEET

DESCRIPTION: Santa Barbara's finest luxury boutique hotel, the Inn of the Spanish Garden, offers an unparalleled experience in the heart of the American Riviera. Ideally located on a quiet side street, the property blends softly into downtown – a whitewashed and red-tiled collection of Spanish style buildings ensconced in gardens of climbing bougainvillea, palms and ever-blooming flowers.

Like the city itself, the Inn's classic style evokes an idealized Old California of dashing dons and dark-eyed señoritas. This is Santa Barbara hospitality at its best: impeccable service, luxurious beds with Frette linens, Molten Brown bath amenities, Anichini towels and robes. All guest rooms feature high-speed Internet access, deep soaking tubs and the privacy of their own garden or balcony.

Nestled between mountains and a gracefully curving coastline, Santa Barbara is a poster child for the California good life. History and romance abound in the Presidio District surrounding the Inn, and State Street's tony shops, museums and theaters are just a few blocks away.

For contemporary sophistication and Spanish-Mediterranean style that captures the essence of Santa Barbara, the Inn of the Spanish Garden stands alone. Enjoy the city's finest offerings, or pamper yourself with in-room spa treatments. Start your evening fireside in the courtyard with a glass of local wine.

AMENITIES: All 23 guest rooms and suites offer a gas fireplace, high speed Internet access, cordless telephone with voicemail, color TV/VCR with cable, thermostatically controlled heat and air-conditioning, ceiling fans, deep water soaking tub, refrigerator (stocked with refreshments and regional specialties), French press coffee maker, hair dryer, iron and ironing board, luxurious beds (king, queen or two queens) and 300-thread count Italian linens, towels and bathrobes. All rooms feature either a private balcony or garden patio.
